

# Work Requirements

It's full time work . And you will need to match all our requirements otherwise I can't select you. And you will be able to learn technical parts from my CTO .

Can you please fill the below requirements ?

Your name?

-

1. Are you available full time

-

2. Can you start immediately? (Starting tomorrow is okay. Or also okay if you can start from Monday if today is Friday, Saturday or Sunday) .

-

3. Your monthly Rate ?

-

4. Are you able to receive your Payment via Payoneer? (Monthly payment)

-

5. Are you able to work outside the marketplace ?

-

6. Your Skype Id Link (Required).

-

7. Your Linkedin and github profile link.

**-Linkedin:**

**-Github:**

8. Your Upwork or Fiverr profile .(If have)

-

9. Did you have experience with git?(How many years)

-

10. Can you work on CET timezone? (9am - 6pm in CET timezone is preferred) .

-

11. Did you work on Ubuntu before or able to install Ubuntu?

-

12. Are you able to join me via video call to Verify your identity?

-

If you agree with our above condition . Then I will pass you to our CTO and he will tell you more about the work .Thanks.
